

Scottish Whitefish Landings 2017

Monthly Update: To April

The landings & price data are **provisional** at this time and will be subject to change.

The graphs show landings relating to Scottish Producer Organisations only. They do not include volumes from other UK or foreign vessels landing into Scotland.

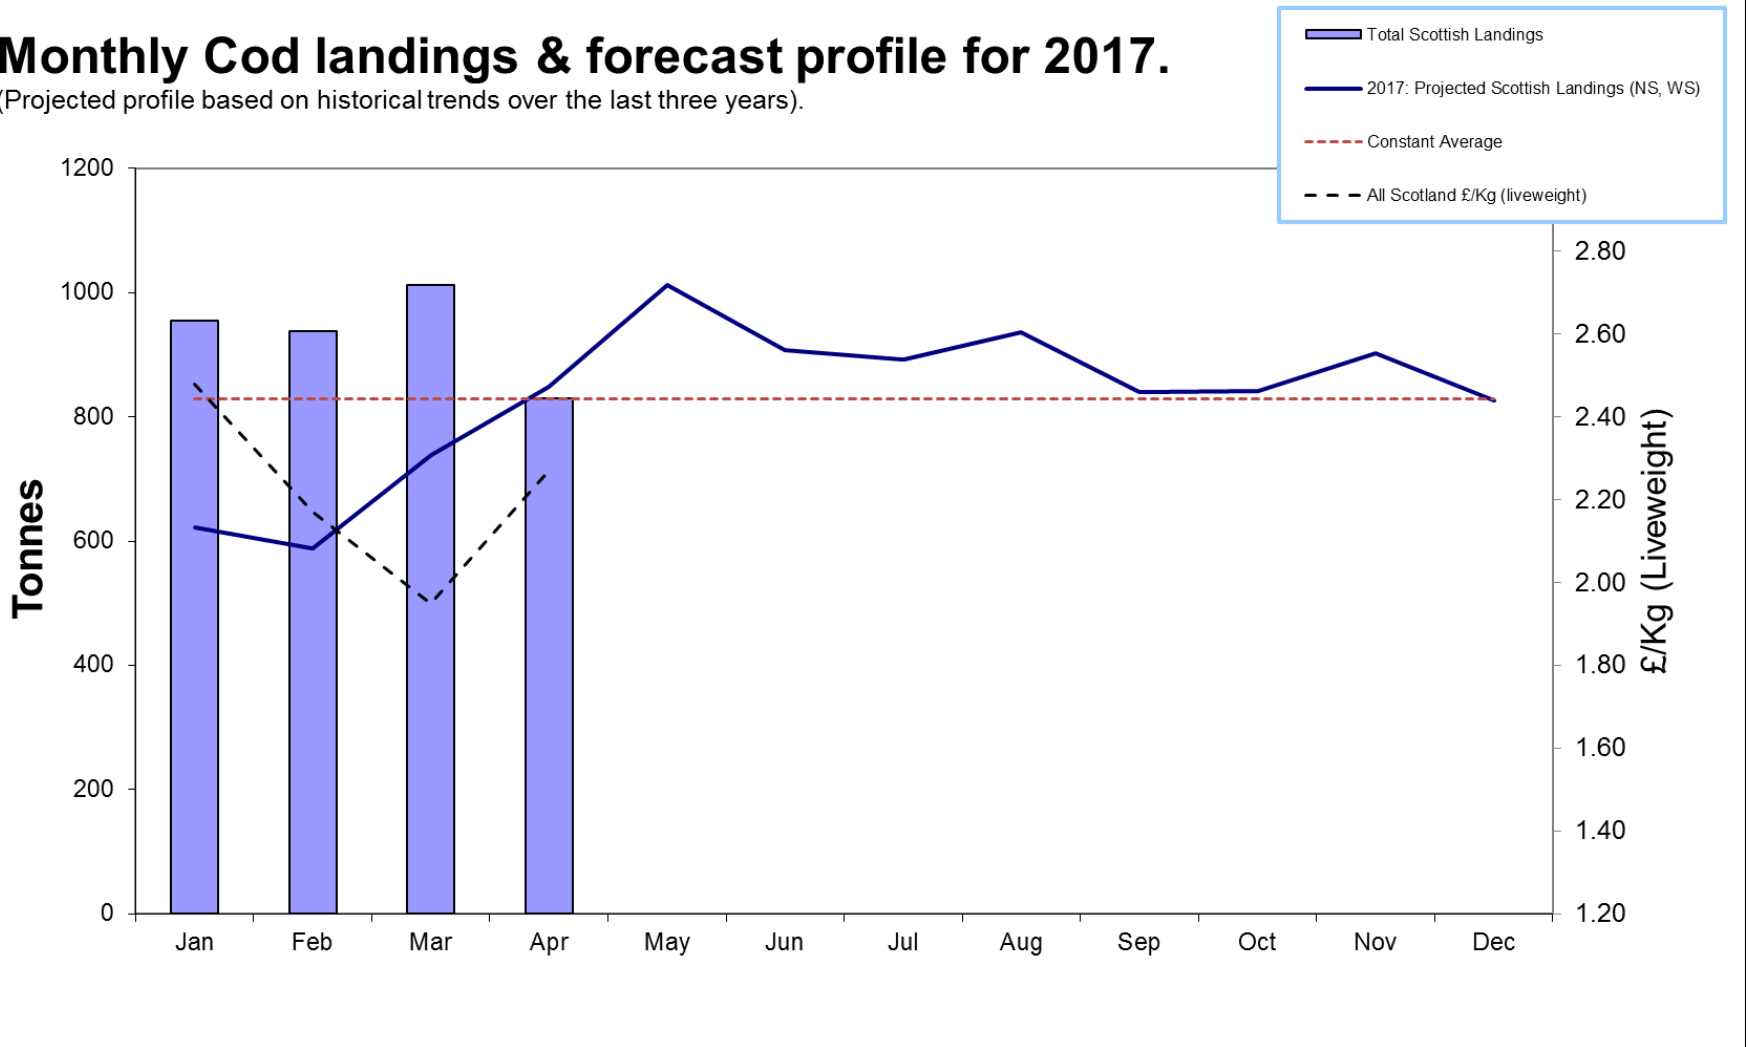

Graphs reflect current quota availability as at 24th May 2017. Revisions will be made during future months updates.

These graphs are compiled using data sourced from Marine Scotland.
