

Scottish Whitefish Landings Update

2022 Monthly Landings Summary: January - June

2022: Scottish Whitefish Landings Update

- These charts illustrate landings of key whitefish species in Scotland by all UK & Norwegian vessels.
- Currently these charts do not include landings by other foreign vessels into Scotland
- Average historical landings into Scotland for the last three years from all UK vessels is also shown (2019-21).
- All landings data are supplied by Marine Scotland and updated monthly. Landings & price data **are provisional at this time** and should be interpreted as such and treated accordingly.
- Given this is provisional data - adjustments may be made in future monthly updates.
