2018: Scottish Whitefish Landings Profiles

Notes:

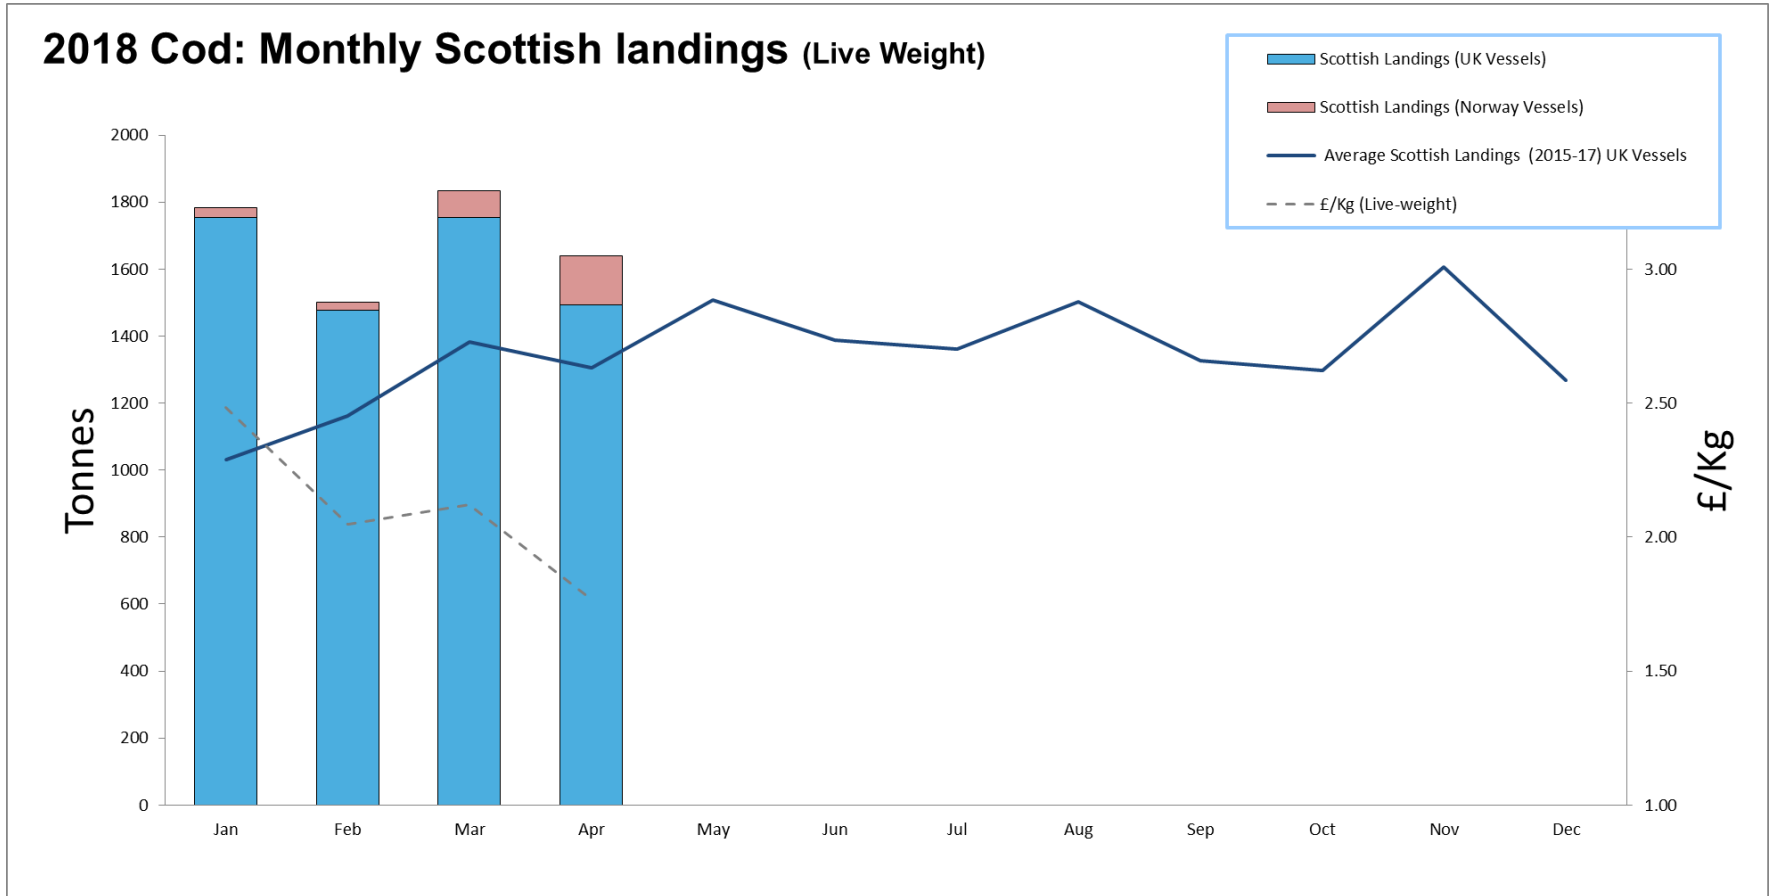

These charts illustrate landings of key whitefish species into Scotland by all UK and Norwegian vessels

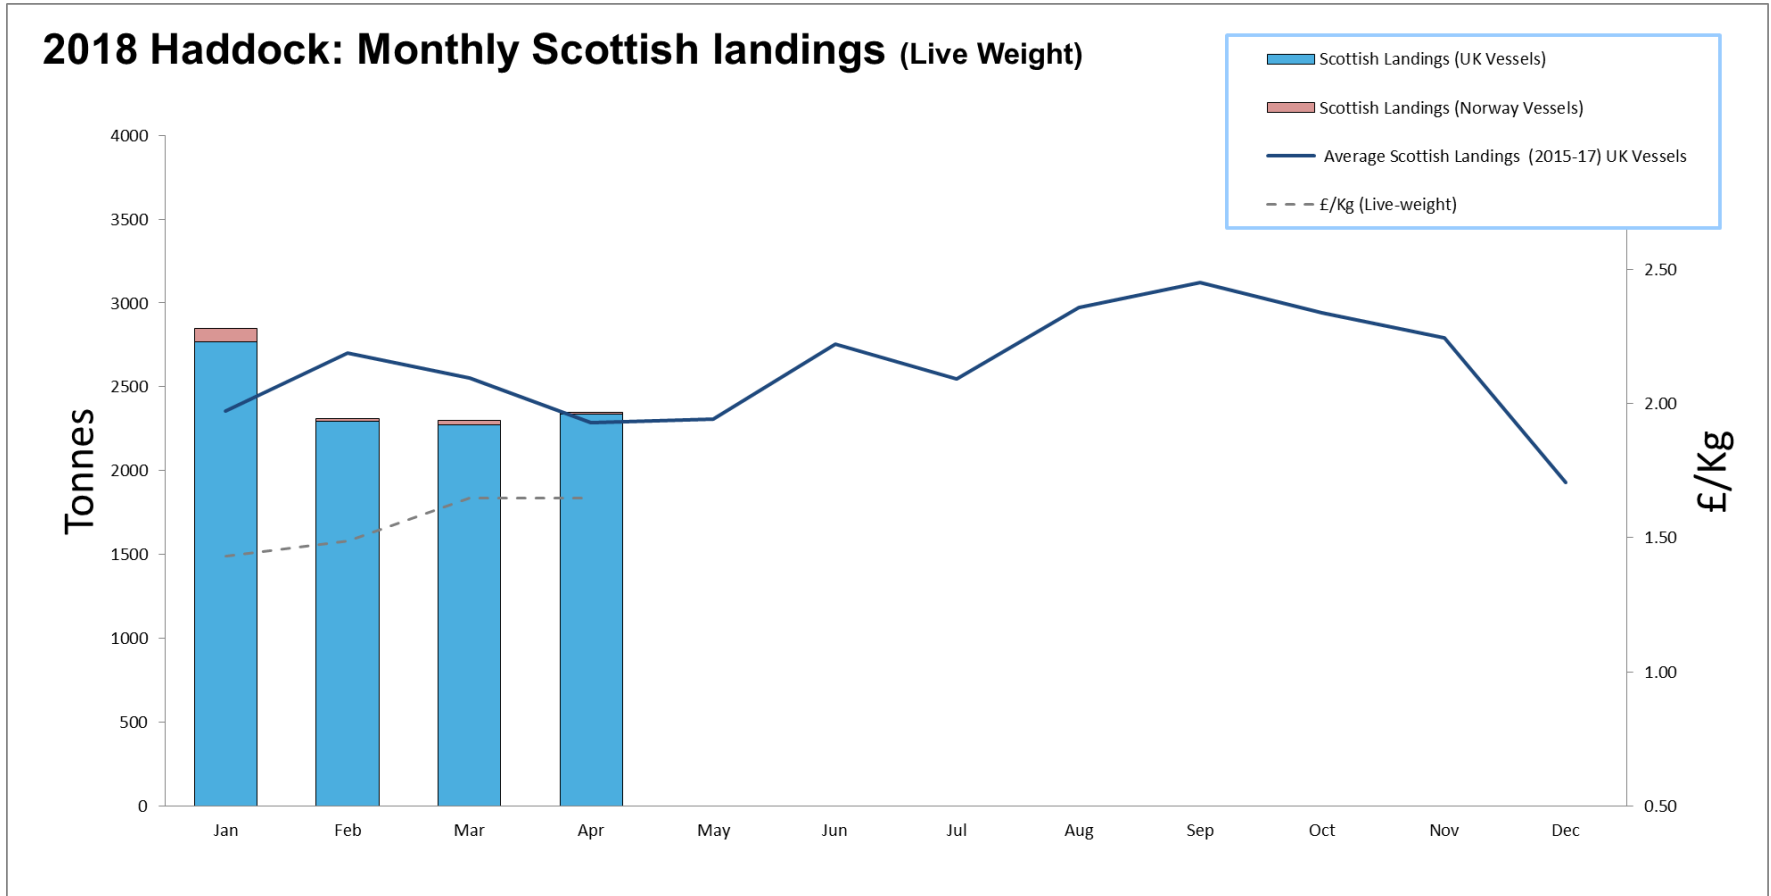

Average historical landings for the last three years from all UK vessels is also shown.

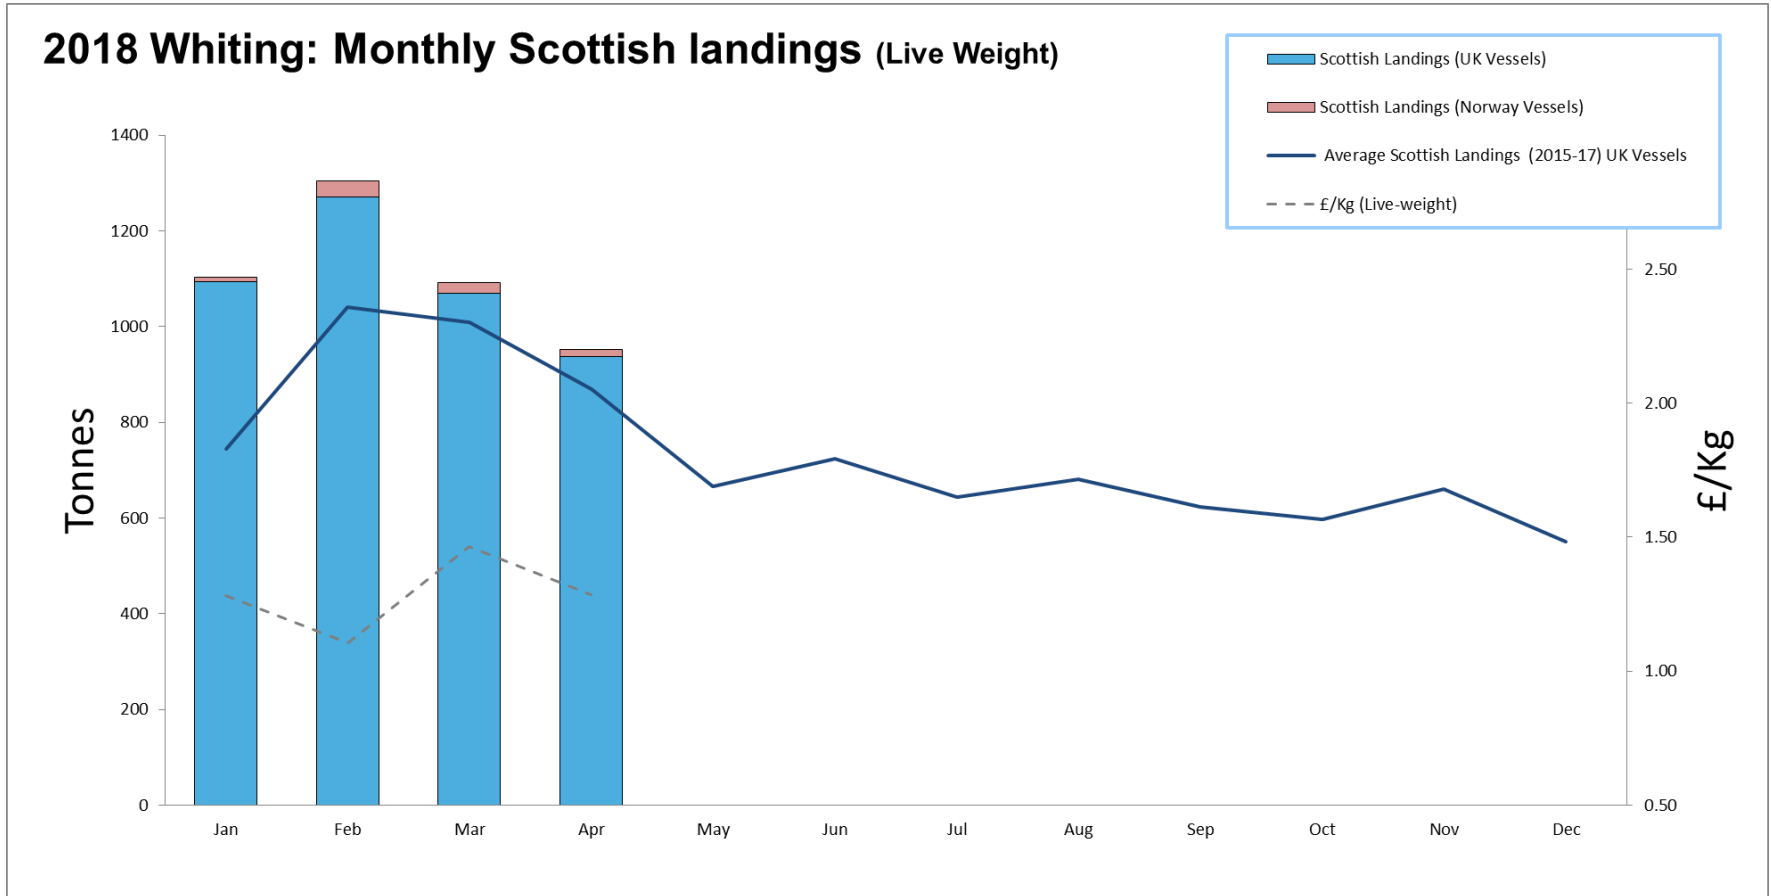

Currently these graphs do not include landings by other foreign vessel into Scotland.

All landings data are supplied by Marine Scotland and updated monthly. Landings & price data are provisional at this time and should be interpreted as such and treated accordingly

As this is provisional data - adjustments will be made in future monthly updates.
