Scottish Crab Landings Update

2021 Year Summary

seafish

Scottish landings have been segregated into the following regions:

- East Scotland
- North Scotland
- West Scotland
- Orkney
- Shetland
- Western Isles

Data is supplied by Marine Scotland and updated monthly.

Landings data is provisional at this time, it should be interpreted as such and treated accordingly.

Given this is provisional data - continuous adjustments will be made in future monthly updates.

NB: Due to variances in volumes landed in different regions, not all vertical axes are the same.

seafish

For the purposes of the Scottish landings shown in these updates. Landings from Port Districts have been grouped into the following regions:
