

Scottish Whitefish Landings Update

2023 Monthly Landings Summary: January - October

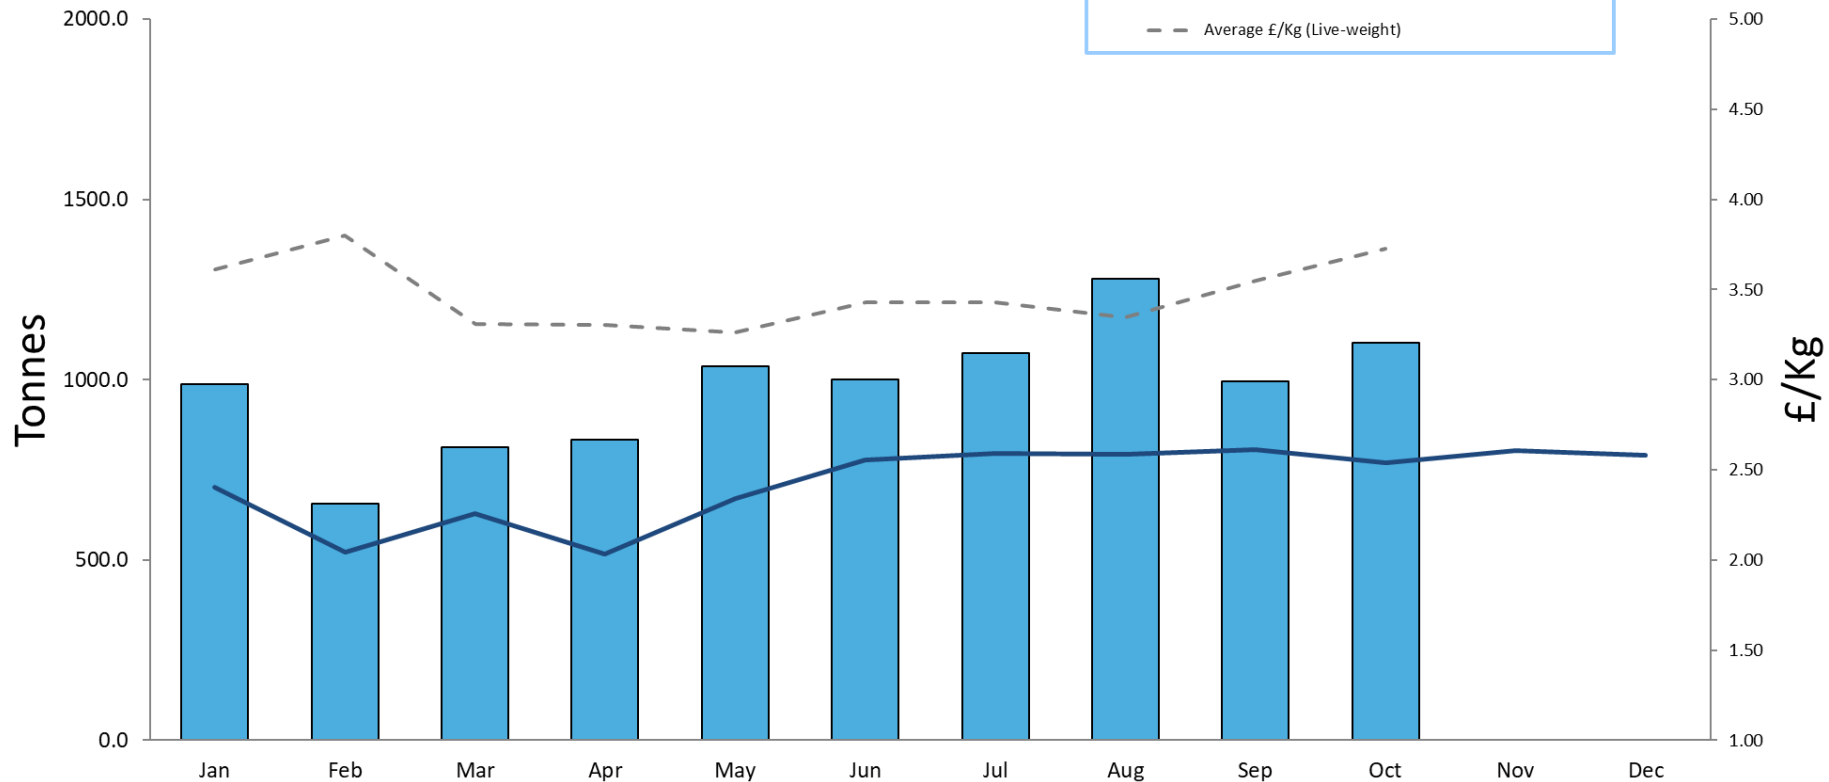

2023: Scottish Whitefish Landings Update

- These charts illustrate landings of key whitefish species in Scotland by all UK vessels.
- These charts do not include landings from foreign vessels into Scotland
- Average historical landings into Scotland for the last three years from all UK vessels is also shown (2020-22).
- All landings data are supplied by Marine Scotland and updated monthly. Landings & price data **are provisional at this time** and should be interpreted as such and treated accordingly.
- Given this is provisional data – adjustments will be made in future monthly updates.
