

# 2026 Scottish whitefish landings

Monthly landings summary January - March

Here to give the UK seafood sector **the support it needs to thrive.**

The Seafish logo is located in the bottom right corner of the page. It features a stylized white fish icon above the word "seafish" in a lowercase, sans-serif font. The background of the bottom right corner is a dark blue triangle with a yellow diagonal stripe.

---

# Scottish whitefish landings

- These charts illustrate landings of key whitefish species in Scotland by all UK vessels
- These charts do not include landings by foreign vessels into Scotland
- Average historical landings into Scotland for the last three years from all UK vessels is also shown (2023 – 2025)
- All landings data is supplied by the Scottish Marine Analytical Unit and updated monthly. Landings and price data are provisional at this time and should be treated as such and interpreted accordingly
- Given the provisional nature of this data - necessary adjustments will be made in future updates
