2026 Scottish crab landings

Monthly landings summary January - September

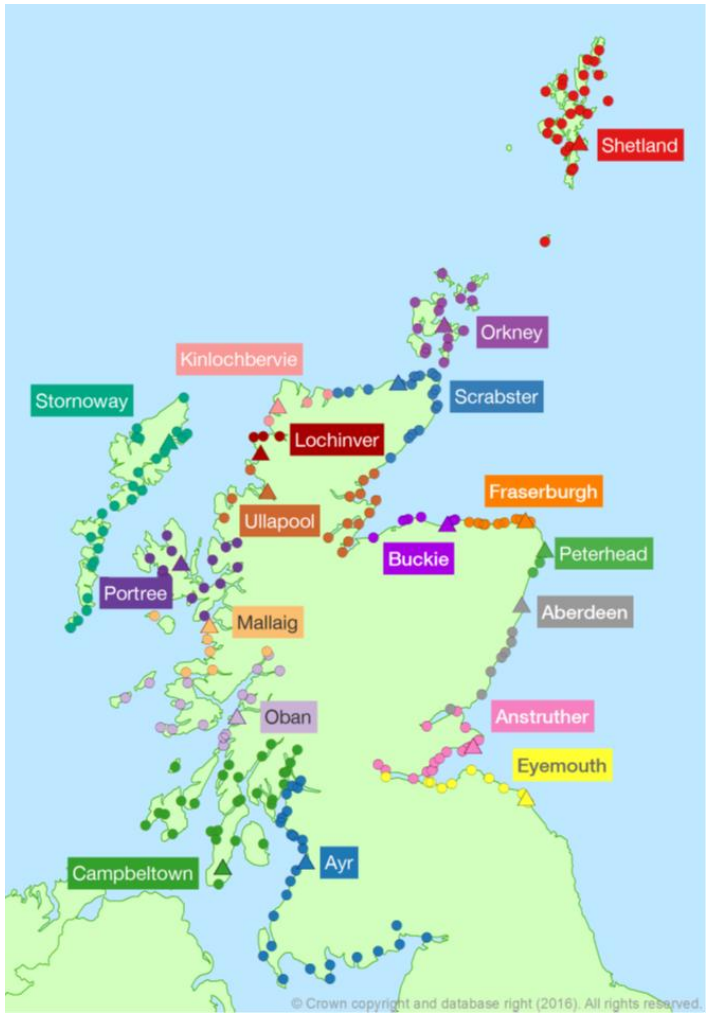

Here to give the UK seafood sector **the support it needs to thrive.**

Scottish crab landings

- Scottish landings have been separated into the following regions:
  - East Scotland
  - North Scotland
  - West Scotland
  - Orkney
  - Shetland
  - Western Isles

- Data is supplied by the Scottish Marine Analytical Unit and updated monthly.
- Landings data is provisional at this time; it should be interpreted as such and treated accordingly.
- Given this is provisional data - continuous adjustments will be made in future monthly updates.
- NB: Due to variances in volumes landed in different regions, not all vertical axes are the same.

Scottish crab landings

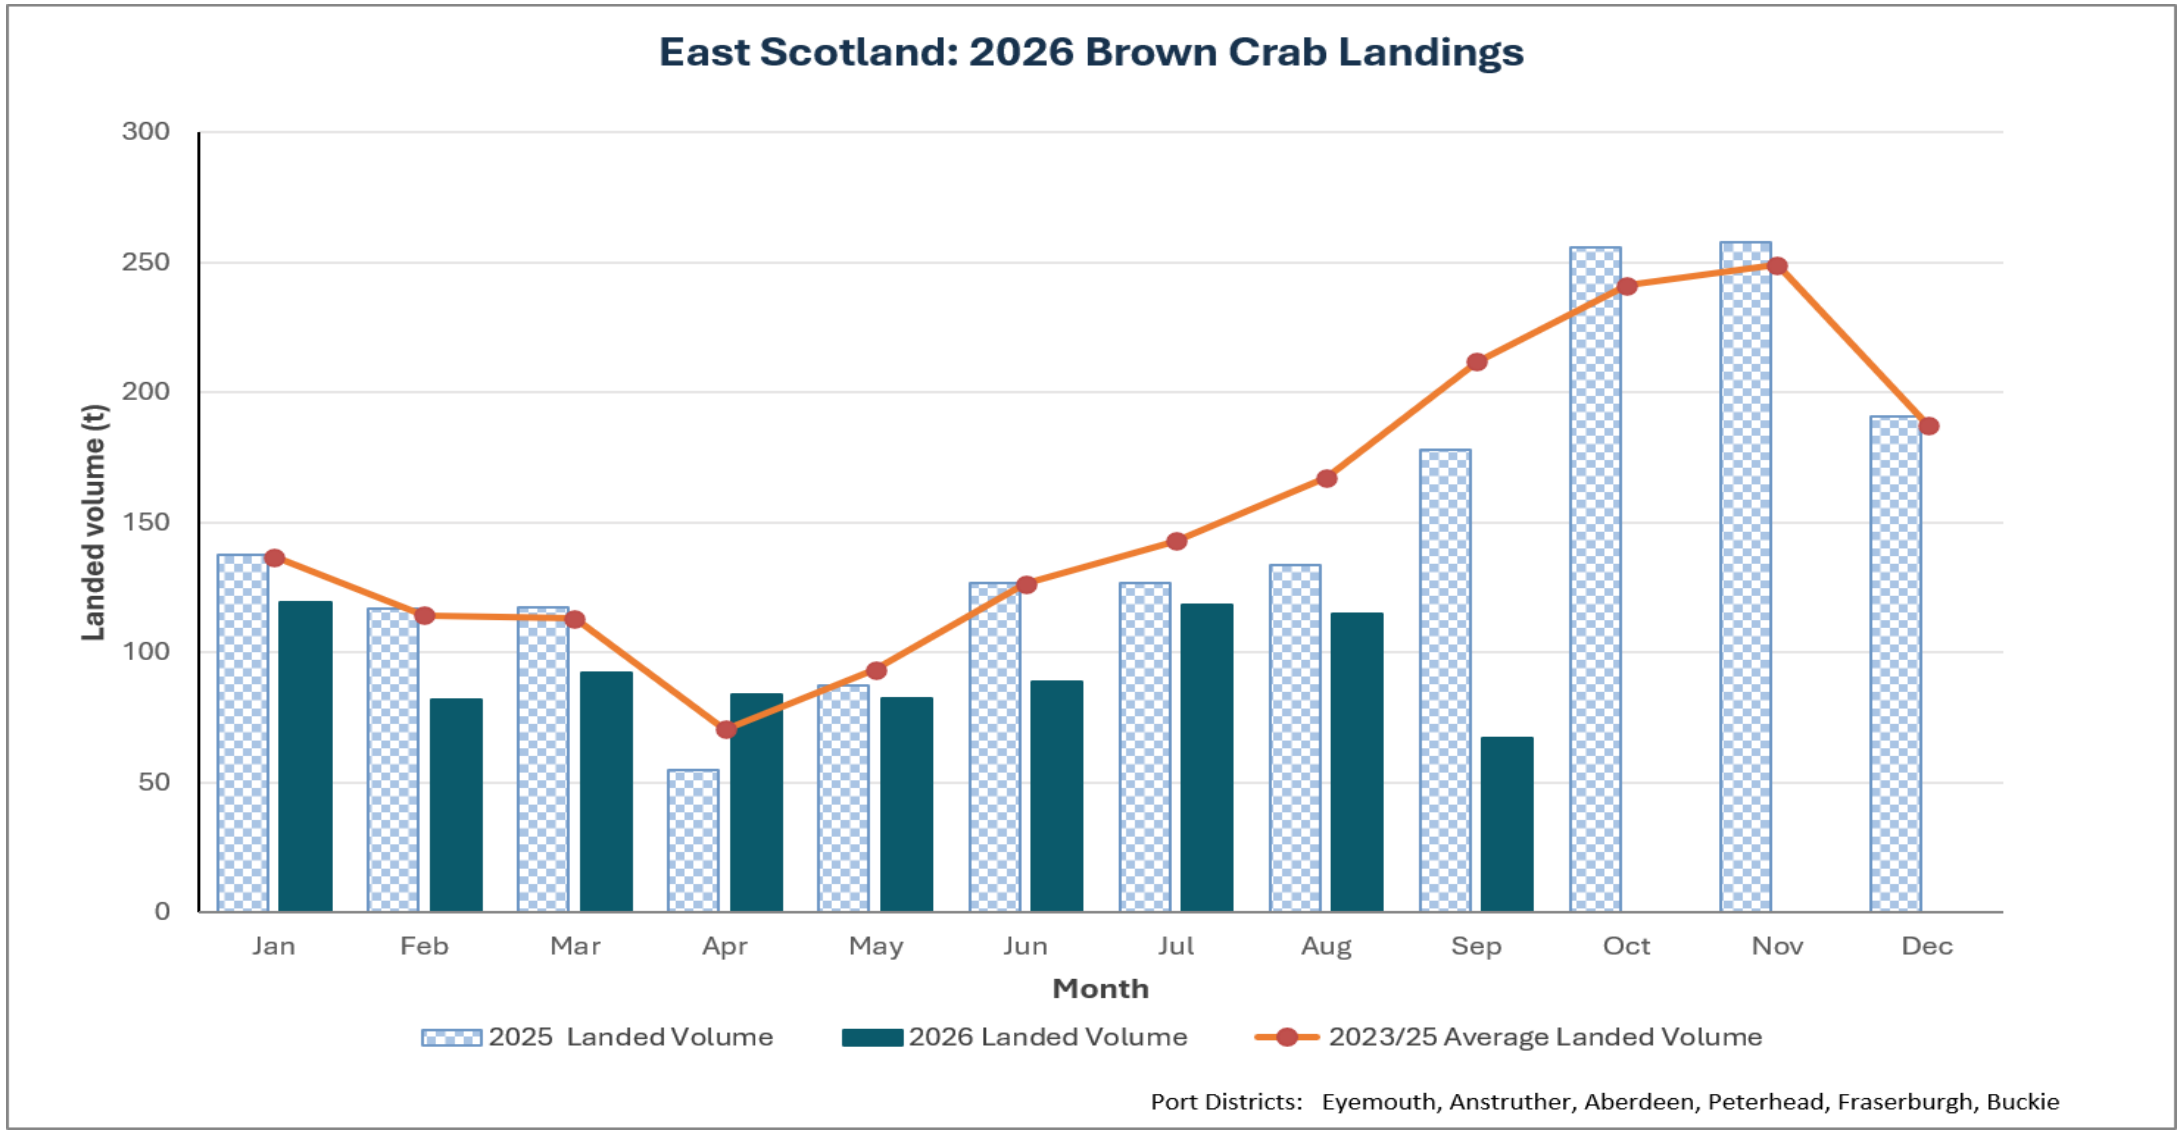

- For the purposes of the Scottish landings shown in these updates. Landings from Port Districts have been grouped into the following regions:
